

The Gift Registry

Introducing the most advanced Gift Registry available today for Microsoft Dynamics Retail Management System (RMS). Developed by input from existing RMS customers, The Gift Registry provides a complete end-to-end solution for Retailers ready to differentiate themselves from the competition by offering a Gift Registry that rivals even the largest of retail chains.

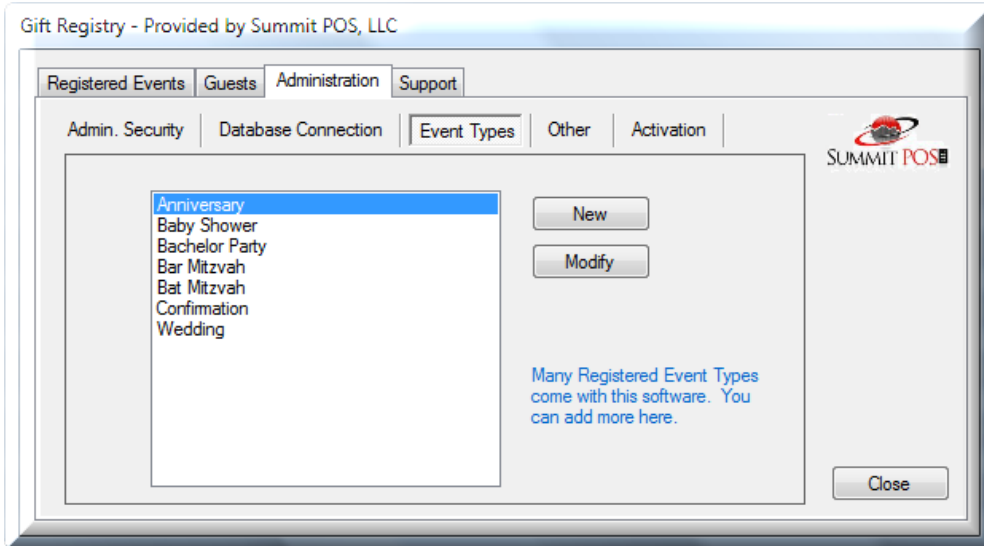

Retailer Benefits of providing a Gift Registry

- You will have Customers buying at your store merely because they are a Guest of a Registered Event
- Statistics have shown that over 30% of people who visit your store to purchase from a Gift Registry end up purchasing other items as well

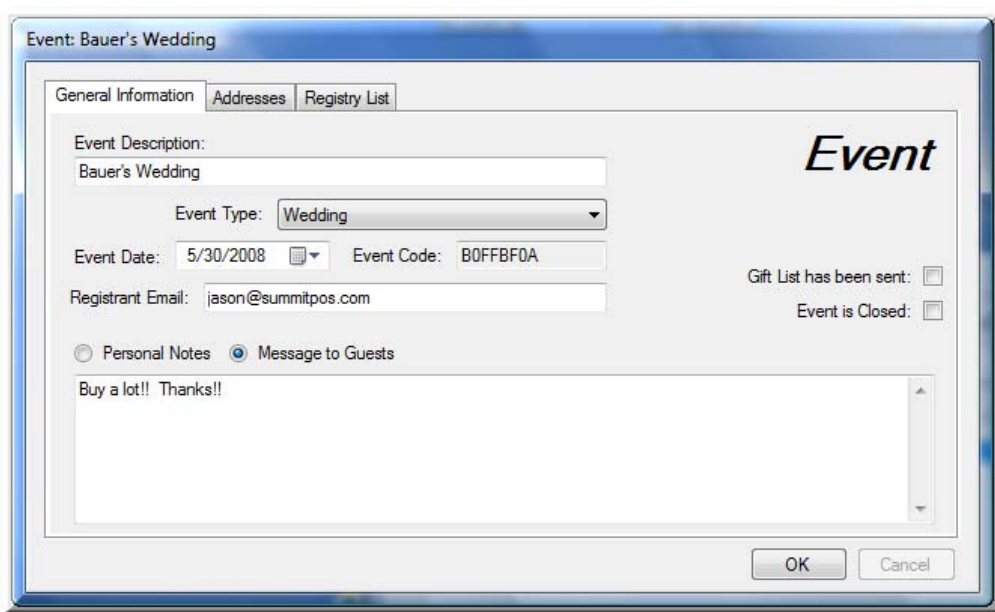

- Create as many events as your Customers demand
- Find Events by Type, Description, and/or Date of Event

Registered Events

- Create additional Event Types to meet specific requests of your Customers

- Provide an abundance of information for your Customer's Event
 - Event Date and Code
 - Notes for Guests as well as personal Notes for the Customer
 - Shipping addresses for the Event, Pre-Event, and Post-Event
 - Entire Registry/Items Listing
